Administrative Raises Before Council

A pay package of more than $275,000 to cover the salaries of eleven members of City Hall management staff, was expected to come before the Placentia City Council Tuesday night for its approval.

The resolution, if verified, would give a six per cent raise to the eleven people including City Administrator Edwin Powell. Also forwarded will be additional taxpayer monies for insurance, listed as $93.60 for each of the individuals for a nine months period.

Leading the administrative pay scale is City Administrator Edwin Powell with a new salary of $39,000 a year plus other benefits.

Second in line is Police Chief Norman Traub with a new annual pay check of $29,830.92. In a similar wage category are Director of Community Development Ben Minamide with $28,574.16 and Director of Finance Frank Dunnavant with $28,265.52.

Others included in the classification are James Buchner, Director of Community and Industrial Resources at $23,922.12; Director of Planning, Arnold Hamala at $21,533.52; Chief Building Official Victor Newton at $19,549.08 and Purchasing Agent, James Park at $24,120.60.

Lee Sale, Personnel Director will receive $24,340.92; John Slota, Assistant to the City Administrator, $19,549.08 and newly employed Jeffery Nimeshein, the city's Social Services Director will start at step D in the wage scale with a salary of $18,012.

A resolution also was expected to be presented to the council seeking an additional $11,755 from the city's general funds to cover the raises for the 11 individuals for the next nine months.

This would be added to the estimated $98,176 already sought for raises for other classifications of employees for a total raise package of $109.931.

The overall salary package for the present fiscal year is estimated at almost $3 million or roughly $2,913,697.90.

The management raises, different from the other three city employee groups, does not list agreements for more than one year. The Placentia City Employees Association, the Placentia Mid-Management Group and the Placentia Police Association have signed for a three year period.

City employees also are accorded step raises in five levels, increasing their salaries. The negotiated raises are in addition. A variety of benefits also are added for the employees.

Among management employees who helped negotiate the contracts with the three employee groups from the taxpayer side of the table were Traub, Dunnavant, and Sale.

Mail Early! Postoffice Encourages

In anticipation of a voluminous Christmas mailing, the Placentia Post Office has recently installed a new collection box in back of the post office on Angelina Drive, Postmaster Al Lopas said this week.

The box does not contain a chute, however, and people using it must alight from their cars, Lopas explained.

Because of the anticipated Christmas crunch, the federal post office this week announced that it is extending suggested mailing dates to December 3 and December 10 for

Bradford House On Endangered List

Placentia's Bradford House which has sat in uncertainty for three years, may come tumbling down in the Bicentennial year...the 50th anniversary of the city's birthday.

A determining vote was expected to end the suspense at Tuesday night's city council meeting.

City staff, in consistent recommendation, has advocated that the house be removed. The latest suggestion is that the house be demolished or removed.

Reasons given bolstering staff opinion is that there are a number of other pioneer homes still standing and in use in the city. These according to the report written by Jack Slota, assistant to city administrator Edwin Powell, would remove the Bradford Home from being in a unique category.

Slota points out also that some of these homes, such as the Ontiveros Adobe (1839), are of older vintage than the Bradford Home. Further noted is that the Placentia George Key home and grounds are being preserved by Orange County for use as a museum.

The most recent staff report appears to react negatively to the recent work of the special council-appointed Blue Ribbon Committee, organized to take a close look at the home and to organize means of saving and operating it without the use of taxpayer funds.

Slota points out that modifications, additional parking, and other innovations would be required to bring the house into conformity for such activities as education classes, offices for nonprofit organizations, as a hospitality center, and meeting rooms for nonprofit organizations. These were uses suggested by the special committee.

The staff report states that the house would have to be fully utilized with fees designed to cover costs. "The fees would of necessity be higher than those charged at other city facilities. Our community centers, for example, are not self supporting," it is explained.

Concerning the Blue Ribbon Committee's recommendations on meeting cultural needs in the city, the staff report questions whether

March Elections For School, Library Trustees

March 8, 1977 has been set as the date for election of two members of the board of trustees of the Placentia Unified School District and to fill two seats on the Placentia Library District board.

PUSD trustees whose terms expire on March 31 are board president John Press and vice president John Balducci. Both said they have not yet determined whether they will seek relection.

Library district seats under consideration are held by veteran board member Irene Czaplinski and Alfred Aguirre, who is currently hospitalized for surgery.

Mrs. Czaplinski said she has not yet made the determination about seeking reelection. There was some indication that Aguirre may not seek the post again because of his high absentee record in recent months due to other demands on his time.

Aguirre, however, has made no formal statement.

Library terms expire on July 1 and candidate forms will be available beginning December 9.

• Shots! Shots! Shots! •

If you didn't get your swine flu shot Wednesday, don't get sick about it. A lot of other people didn't either!

An influenza immunization clinic set up by Placentia-Linda Community Hospital, Placentia, gave up about 7:30 p.m. Wednesday, a half hour before the advertised closing time, after innoculating 1,554 people and running out of vaccine three different times.

A hospital spokesman said that no one had predicted the "massive turnout" for the free flu shots.

The hospital staff donated their time for the community project with hospital volunteer guild members assisting.

No estimate was given of the number of persons turned away but all were advised to contact the Orange County Health Department for additional clinic sites and dates, the hospital reported.

Doughnuts, Coffee, Mayor For Breakfast

The citizens of Placentia have been invited to have breakfast with their mayor.

The invitation open to the public, covers the event to be held at City Hall at 7:30 a.m. on Tuesday, November 30. Hosts will be the Placentia Chamber of Commerce. The meeting will be held either in the Conference Room or the City Council Chambers depending on the size of the crowd.

Coffee and doughnuts will be served to those attending, the chamber reports. The public will be given an opportunity to ask questions with several councilmen expected to attend.

City Earns High Rating

If Rancho Palos Verdes enjoyed the lowest serious crime rate in California last year among cities of 25,000 to 50,000 population, Placentia can claim the distinction of being 12th among the 74 cities listed.

The statistics were compiled by the Federal Bureau of Investigation from local reports and released by Placentia Police Chief Norman Traub.

The FBI report, which was issued in September, lists a total crime index for Placentia of 1,465 incidents. This compares with Rancho Palos Verdes' 774 and Lynwood's 4,414, the greatest number tabulated.

Serious crime is defined in the FBI report, Traub pointed out, as murder, manslaughter, rape, robbery, aggravated assault, burglary, theft and motor vehicle theft. Placentia's total of 1,465 offenses is only two-thirds the statewide average of 2,211, Traub stated.

Placentia's statistics included one murder or non-negligent manslaughter; no manslaughter; four forcible rapes; 29 robberies; 62 aggravated assaults; 547 burglaries; 735 thefts and 87 motor vehicle thefts.

Among the cities listed in the same category in the report is Beverly Hills, which ranks 42nd with 2,238 crimes.

Traub said that his department hopes to see the rating improve through this current year.

Great Smokeout Happens Thursday!

It isn't exactly a Love-In. More like a Smoke-Out.

Or it might be classified as Good Clean Fun. Even a Healthy Habit Happening.

Whatever it is, it's going to happen throughout Orange County Thursday, November 18.

And for anyone who enjoys a Good Smooch, here is the perfect excuse.

Thursday the Orange County Unit of the American Cancer Society is sponsoring, in conjunction with the rest of the United States...The Great American Smokeout.

The organization hopes that on that day, Orange County's estimated 60,000 smokers will quit...at least for 24 hours.

It's a part of a California wide effort to reach at least one million smokers. And the society explains: "The Smokeout aims to create a

Homeowners Converge On City Hall

Contention that the City of Placentia is allowing homeowners to move into expensive homes by the Atchison, Topeka and Santa Fe Railroad tracks that do not meet city code noise level specifications, was levelled Thursday by a group of residents from the S and S (Shapell) Placentia Village Estates.

The homes are located along the extension of Chapman Avenue, near its conjunction with Orangethorpe Avenue in Placentia.

The homeowners group had appeared at the Placentia City Hall Thursday, seeking a conference with Arnold Hamala, Director of Planning.

The homeowners expressed themselves as "running out of patience" and "running out of time." They stated that they have sought relief from their problems for the past six months and that their situation has not improved.

"We feel it is the city's fault for letting us move into those homes," one resident explained.

"From the day we got involved with S and S it's been a nightmare for all of us," another homeowner stated.

The homeowners who have been displaying a proliferation of For Sale signs on their properties, had in some instances this week gone to bigger notices to passersby in front of their houses.

One sign reads "Ask me about the 20 to 40 trains a day, the lack of quality in this home, the builders answers."

Another: "For Sale. Bugs Are No Problem In My Home. It's Fumigated Daily by Train Diesel Fumes!"

Not all of the homeowners in the S and S tracts are in agreement, however, In another unit, also by the railroad tracks, which is just being completed and moved into, residents working in their yards Sunday indicated that they are aware of the trains but are accepting them as a part of life.

One man in the 200 block on San Antonio Circle, who is a half a block away from the train tracks said it was so quiet in the somewhat remote area that "the first night I couldn't sleep."

A couple in the 800 block of San Diego Lane, where houses back up to the tracks said they knew about the 10 to 40 trains a day when they purchased their property.

There is noise and vibrations, they reported "but nothing has fallen off the walls," the wife added. "When people come to visit us, however," her husband confirmed, "they think when the trains go by that it's an earthquake. But we don't mind it."

In the 200 block of San Clemente, a half block from the tracks, one woman said that she hears the trains go by "but I like the sound of trains." She said she thought the first group of homeowners might be

Letters To The Editor

Answer To Bob Lyons

Editor, Placentia Courier
An Open Letter responding to Bob Lyons' letter of November 10, 1976

Dear Bob,

I was disappointed to read your letter in the November 10, 1976 Courier. I'm a bit perplexed that you would write such a letter in view of the Courier article on November 3, 1976. In the next to the last paragraph of that article you will see that I and the Heritage Festival Committee agree with you that the police did do their job. But you know as well as I do that the attitude of a police officer when doing his job has a lot to do with how citizens view those actions. Apparently you talked with the Police Department about what happened. Were you told that a police officer did receive disciplinary action for his conduct at the carnival? If you had talked to any of the members of the Heritage Committee, you might have thought twice about writing your letter. There's a lot more to the story than just one side of it.

You say the Police Department was "trying not to be a stumbling block to the Heritage Festival Committee." The committee has never accused the Police Department of being a stumbling block. In fact, the Police Department helped us through some initial problems in getting the carnival on site. The committee has thanked them for their help. You wrote, "If I'm wrong, then a complaint should be filed and the case given a thorough airing in the public eye." Well, Bob, you are wrong and complaints were discussed with Chief Traub at the committee meeting on October 28, 1976 (see the November 3 Courier article). Chief Traub answered those complaints he had heard previously and said he would look into those new items that were mentioned in the meeting. He thanked the various citizens for their information. The meeting was open to the public as are all Heritage Festival Committee meetings, and some interested citizens and Council members attended. With the added coverage of newspaper articles and Letters to the Editors, the matters have certainly been in the public eye.

To answer your P.S., the Heritage Committee did get a direct return from the carnival and the carnival was used as a draw to help the community booths. The reason the Festival Committee had a carnival this year was to try to raise sufficient funds so that the committee could pay for future parades and not have to use city funds. This intent was stated to City Council and is a matter of record. Because of large, unexpected expenses the committee did not achieve their goal. By the way, the Heritage Committee just happens to be a community group intended sblely to provide a Placentia festival for the enjoyment and entertainment of the citizens of Placentia and composed mostly of private citizens dedicated to do something for the people of Placentia. As in the past, the committee did get money from the city for this year's budget. As a former councilman and mayor you should remember that those city funds are only for the Placentia Heritage Festival Parade and any funds not used for the parade are returned to the city. The parade budget is presented to council for their approval.

I remember I twice stood before you and other members of the council to explain the parade budget for the 1974 and 1975 festivals. I was also present when the 1976 parade budget was presented to the council by Dick Samp, who was Festival President at that time. Your statement that the committee funding gets "precious little review" is interesting. As City Treasurer and past Council member you should know that the Heritage Festival Parade funding is part of each Fiscal Year Budget and goes through the entire review cycle.

If this letter doesn't answer your concerns, I'd be glad to talk to you any time, in detail, about any of these matters. I'd rather not write letters to the editor, but I thought that by this letter some ambiguities might be clarified and this unfortunate occurrence might be considered a thing of the past. The Heritage Committee and Police Department intend to better coordinate and communicate for future activities. To this extent we can expect improvements for future Festivals.

ED HOUSTON,
Placentia

[Editor's Note: The Robert Lyons letter was received by The Placentia Courier before the November 3 news story ran. However it did not appear in the paper until November 10 because of deadline and space limitation problems. The other correspondents on this subject, however, would have no way of being informed of this.]

Christmas Bureau Opens

An all-out community effort to provide Christmas for local families who otherwise will have none, was launched this week by the area's first-established women's club, the Placentia Round Table.

The effort will culminate in the tenth annual Christmas Clearing Bureau, which hopes to provide Christmas for every needy family.

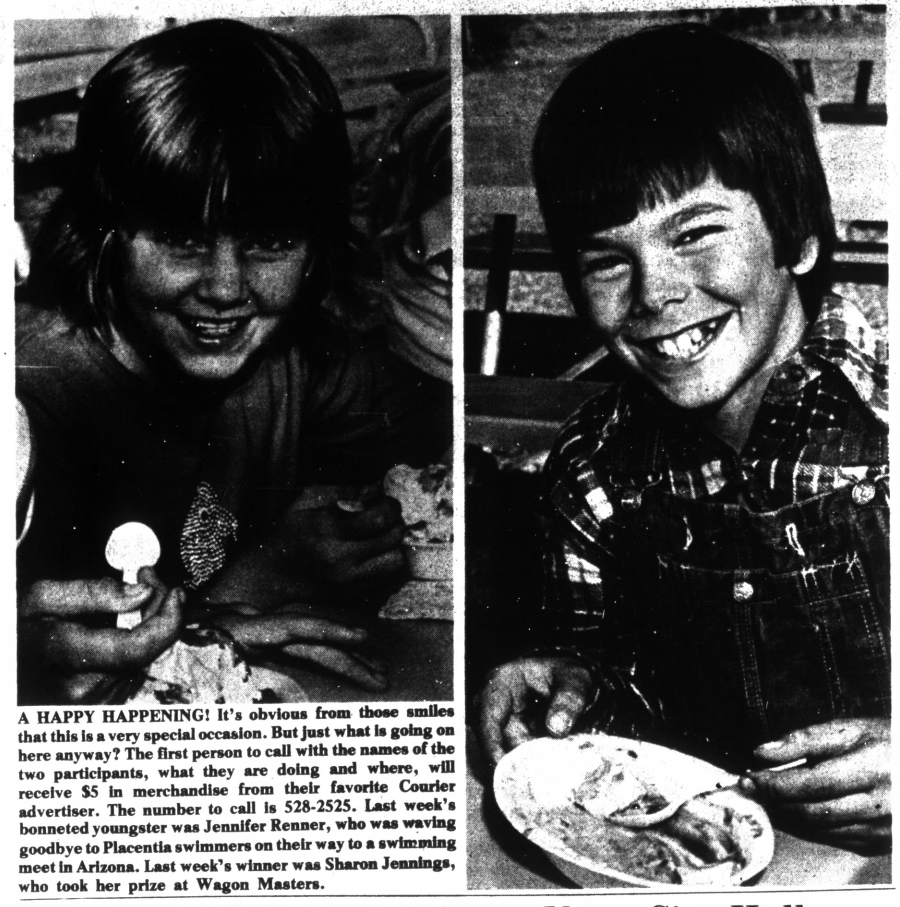
Last year's activity, the largest of the ten-year efforts, found some families left without Christmas baskets in spite of a record number of 237 households that were served.

The annual activity combining the work of clubs, schools, churches and individuals will get into full swing following the Thanksgiving Holidays, Mrs. Doris Black, chairman reports.

Collected will be food, toys and other gifts suitable for Christmas. The baskets will be distributed by December 20, the group outlined. Money also is needed to buy meat and perishables for the baskets.

Over 30 community organizations will be involved in the project, Mrs. Black outlined.

Round Table committee members working on the program include Mrs. Linda Dawson, Junior Round Table, assisting Mrs. Black as coordinator; typing, Mrs. Johanna O'Neal; work scheduling, Mrs. Cyndy Landwehr; pickup, Mrs. Marguerite Smith and Mrs. Bonnie Steele; schools, Mrs. Jan Steinleitner; toys, Mrs. Laura Titzer and Mrs. Chris Fournier; foods, Mrs. Gladys Kirchner; youth groups and volunteers, Mrs. Fran Taylor; boxes, Mrs. Yvette Hirbour; stockings, Mrs. Camille Barrese and publicity Mrs. Jean Redman.



A HAPPY HAPPENING! It's obvious from those smiles that this is a very special occasion. But just what is going on here anyway? The first person to call with the names of the two participants, what they are doing and where, will receive $5 in merchandise from their favorite Courier advertiser. The number to call is 528-2525. Last week's bonneted youngster was Jennifer Renner, who was waving goodbye to Placentia swimmers on their way to a swimming meet in Arizona. Last week's winner was Sharon Jennings, who took her prize at Wagon Masters.

Plans OKed for 30 Acres Near City Hall

A development of 171 dwelling units in a planned community was approved Tuesday night by the Placentia Planning Commission, for 30 acres of Kraemer family property south of Alta Vista Street and between Kraemer Boulevard and Angelina Drive. The area is across the street from the Placentia Civic Center.

The homes will be placed on 4,000 square foot lots, as opposed to the regular 7,000 square feet, with zero lot lines in some instances. A recreational area will be included containing a swimming pool and two lighted tennis courts.

The development by Woodbine Corporation (S and S, Shapell) of Beverly Hills, will be of one and two story structures. Incorporated into the plans for the 30 acres will be the now standing homes of Esther Kraemer Dunlap and Louis Kraemer which front onto Angelina Drive.

Part of the planning also requires city council approval.

No date was given as to when the development would break ground. The area will use private streets and have controlled gates at entrances on Kraemer Boulevard and Angelina Drive.

Square footage of the units will vary from 1,356 (two bedroom, two bath) to 2,170 (four bedroom, three bath). All units have have red tile roofs, two car garages and fireplaces.

Bernard McCune, Long Beach, senior vice president of Shapell Industries made the presentation for his company. Planning commissioners voted unanimously in favor of the development with the exception of commission vice president Dr. David Margolias who voted no on the tentative tract application. Margolias objected to the placement of the recreation area which he believed to be too far removed from some of the homes.

McCune stated that he believes the development "is going to enhance the area. We're very enthused about the entire project," he added.

The Great Smokeout

general awareness that smoking creates major health problems and to promote a spirit of camaraderie that will help smokers make and stick to the decision to quit."

To make such an unpleasant prospect for the 60,000 smokers a little more fun, the Cancer Society is also distributing large lapel pins along with its pledge cards.

The pins carry a picture of a very green frog with very red lips and the information KISS ME. I DON'T SMOKE. Whether the supply will outlast the exsmokers good intentions was not known locally.

However, locally, there were obviously some lapel pins already in circulation and a few people who simply can't resist a good idea when it's brought to their attention.

The effort was already reported in working order at least at Placentia-Linda Community Hospital, one of the local participating hospitals, in the 24-hour smokeout, along with Esperanza Intercommunity in Yorba Linda.

Hospitals are posting displays and are making pledge cards available to their employees, patients and visitors in addition to helping their employees become aware of the smoking problem.

Other interested parties are invited to call the hospitals or the Cancer Society at 752-8600 for further information and pledge cards.

And everybody else is invited on "D (Don't) Day" to pucker up Either for that cigarette...or a smooch!

Bradford House

[Continued from Page 1]

the Bradford House could play a significant part in fulfilling such requirements.

"One of the assumptions underlying the report is that cultural needs should be met within the community. This is a goal that is impossible to achieve in a city of any size," the staff report states. "Some cultural needs can be met, but all needs cannot."

The document points out that local residents voted down the suggestion of using tax revenues to preserve and maintain the Bradford House as a historical monument.

Federal, state, or county grants are tax revenues, the paper states and normally require matching funds and "a demonstration of community support."

The staff report draws a variety of conclusions about the preservation of the home which is located on 2½ acres on old Palm Drive between Kraemer Boulevard and Bradford Avenue.

Among its evaluations are that "it is doubtful that the building could be preserved and maintained without a substantial expenditure of public funds."

Recommended to the city council is that the 2½ acres on which the house sits "be developed as a passive neighborhood park without the house and parking lot."

"Declare the building to be surplus property and authorize the receipt of bids for either demolition of the house or relocation."

Salvage rights, as requested, should be given to the Bradford family members to "remove several items of sentimental value."

The home was built in 1902 and was the residence of Albert S. Bradford who surveyed and subdivided the original townsite of Placentia and was an early prominent citizen, the report states. "The primary value of the house lies in its historical significance."

The house and the park were presented to the City of Placentia three years ago by Bradford family members.

More About The Carnival

AN OPEN LETTER TO THE PLACENTIA COURIER, PLACENTIA POLICE DEPARTMENT, AND MR. BOB LYONS:

On behalf of the Placentia Heritage Festival Committee, I would like to publicly express my thanks to the Placentia Courier for their outstanding efforts to keep the public informed of all the events and activities of this year's Heritage Festival, as well as to thank them for their article regarding our differences with the Police Department.

I would especially like to thank Mrs. Betty Mead, an extremely busy person, for her time and dedication to the Heritage Festival Committee as well as for her efforts to responsibly report things as they happened.

The Placentia Heritage Festival Committee would also like to publicly express our thanks to the Placentia Police Department for their assistance in orchestrating the annual Festival Parade, for their efficient handling of traffic during the parade, and for their overall cooperation in planning same. I would also like to thank the Police Department for their efforts to protect the public at our recent carnival.

Although we had our differences, I admire the way Chief Norm Traub and Captain Robertson came to our recent Heritage Festival Committee meeting to resolve them in a most reasonable manner. The fact that we were able to discuss our difficulties in open meeting, and were able to find ways to prevent these problems from occurring in the future proves that we and the Police Department handled the matter in a most responsible way.

Now then -- Mr. Lyons seems to have come into all this rather late. His letter appeared in the Placentia Courier AFTER the Heritage Festival Committee met with the Police Department, and AFTER we settled our differences. I did not see Mr. Lyons at that meeting, so he OBVIOUSLY did not have all the facts.

Mr. Lyons said that he did not see or talk to anyone regarding the difficulties at the carnival -- admitting that he had a rather one-sided view of the problem. That's all well and good - however, it seems to me that it is rather irresponsible of a public figure to take cheap shots at a VOLUNTEER organization who wishes to serve the community. Since the Placentia Heritage Festival Committee seems to feel that the disagreement with the Police Department was settled, and that it is now a dead issue, it seems a shame Mr. Lyons wasted so much time writing about it.

Furthermore, it is also rather disturbing to me that he alleges that the Heritage Festival Committee requires more review in the way we handle public funds. I might remind him that of the funds allocated by the city, $250 of them were returned in licenses and fees, while an additional $400 was paid to the city for the zealous police protection we received at the carnival. Yes, the Heritage Festival Committee did make money for local organizations as well as for next year's festival. It was our hope that we would come out of this year's festival far enough ahead that we would not need public funds. We would prefer that we did not need to dip into city monies for our festival. The fact that our rather controversial carnival was so widely supported by the people of Placentia (whom I might remind you ARE the city) seems to show that a community-wide event to draw the citizenry together was desired by the people.

The Heritage Festival Committee did not deny the fact that the Police Department was doing their job -- they objected to some of the actions of certain of the officers on the carnival grounds. One officer was reprimanded by the Police Department almost immediately after the incident occurred, showing that there was great concern on the part of the police to do their job.

The Heritage Festival Committee did not feel it was necessary to lodge a formal complaint against the department until we first sat together and tried to work out our problems reasonably. I did take it upon myself to ask the American Civil Liberties Union some questions regarding Constitutional rights, and was told by the ACLU that if we did not settle our differences with the Police Department in our meeting, they would be willing to intercede. All this was not necessary because Chief Traub and Captain Robertson faced our Committee in an open meeting and we were able to constructively settle our differences in a way in which we will be able to prevent any future misunderstandings.

However, if Mr. Lyons feels it is necessary to pursue this dead issue for whatever he feels will be gained, the committee will be meeting again on Thursday, December 9, at 8 p.m. at Koch Park. This way, if Mr. Lyons wishes to make any further allegations, he may do so face-to-face.

Mr. Lyons, you have a tiger by the tail!!!!!

Sincerely,
Mrs. Peggy Dracoules
President Pro Tem

T-Masters

The members of the Yorba Linda—Placentia Toastmasters Club #3425 enjoyed another regular dinner meeting at the Alta Vista Country Club.

Jerry Leff presided, Mo Graham was the toastmaster of the evening, John Meursinge the general evaluator. Area D-1 Governor Roy Fenstermaker attended the meeting.

Table Topics Master Mike Lackner moderated an interesting discussion about the T.V. debates of the presidential candidates. After dinner speakers Paul McCutcheon, Ken Silver and Richard Wall delivered the prepared speeches.

Best Evaluator's trophy was won by Fenstermaker. Table Topics award went to Wall. McCutcheon and Silver tied for the Best Speaker's award. Marv Grudem took home the Bone Award.

Artist of Month

Oil paintings by Margaret Rhoads are being featured in the Yorba Linda Library during the month of November.

Margaret is an award winning artist and member of the Placentia Art Association. A resident of Lake Park, she began her painting career as a hobby six years ago, studying under various teachers, including Yoko Kobagashi.

The library art exhibits are a project of the Yorba Linda Woman's Club. Anyone interested in showing may contact Mrs. B.V. Kemp, 528-7659 or Mrs. Roy Knight, 528-7401.

LOW PERCENTAGE

Dramatically fewer babies are available for adoption today than a decade ago, yet only 4% of the children placed for adoption in 1971 were over 4 years old.

New Boys in Pack 775

Cub Scout Pack 775 has grown by 14 new members as a result of recent recruitment nights held at Rose Drive and Nixon Schools.

The new members were welcomed at the first meeting recently. From Rose Drive School were: Gary Acuna, Clay Beamesderfer, Robert Boecking, Matt Cleet, John Francis, Andrew McConnell, Mke Rudge, Phillip Seabold and Steve Severaid. From Nixon School: John Dawson, Kevin Henry, Timothy Keenan, Mike Pennino and Jason Smith.

The first event for the pack was a "Frito Bandido" sale booth at the Fiesta Days Parade with all proceeds going to scout activities. Next on the agenda is the Scout-O-Rama at Anaheim Convention Center on December 11 and the pack's Christmas caroling and party.

After the first of the year 775 will have its third annual snow trip followed by the Pinewood Derby races. Boys interested in joining the pack can contact Scoutmaster Bob Kocher at 993-9891 or Webelo leader Dwight Willey at 528-3256 for information.

SOUTHERN CALIFORNIA GAS COMPANY

Do this.

Get this free.

The person in the picture is installing R-19 whole house insulation in his attic. It's a very smart way to spend a Saturday afternoon.

For one thing, he'll keep his house warm and cozy during the cold winter months. And reduce the amount of gas he uses for heating by up to 20%.

When summer rolls around, insulation will help keep the heat out. And, if he has air conditioning, insulation can help him save on cooling costs, too. He'll also save on the cost of installation. Simply by doing it himself.

But he's even smarter than you think. Because just for installing insulation, the Gas Company is giving him a free water saver kit. It includes an energy-saving shower head and two sink faucet aerators. All three are designed to save hot water and still give an excellent water spray.

If you'd like to find yourself in this person's position, visit a participating Do-It-Yourself Insulation Dealer. He'll explain how easy it is to get the job done. And get your free water saver kit.

So don't wait. Insulate. Spend a few hours fighting the energy crisis.

Then shower yourself with our gift.

THE gas COMPANY

DON'T WAIT. INSULATE.

RING AROUND THE PRESCHOOL--on sunny days the McFadden Pre School youngsters enjoy finger games and exercises in the park. But on other days, a few toys and kid equipment would be appreciated for use in the classroom. "We're down to two tricycles and very few toys," one of the teachers explained. Useful would be dolls, play automobiles, wooden puzzles or any other kind of practical accessories. One of the preschool classes shown here with teacher Angelita O'Rourke includes Claudia Alvarado, Leticia Arevalo; Jose Huante, Ricardo Rios, Charles Kuchel, Araceli Galvan, Andrew Graner, Calumba Galvan, John Martinez, Jason Shields, Lorena Alvarado, Enrique Solorio, Lilia Perez, Maria de Jesus Perez, Caspar Jimenez, Carlos Frausto, Maria Vasquez, Christine Jimenez and Kristen Franklin. The number at the school is 630-7810.

Seminar on Taxes

Methods to minimize estate depletion through better understanding of wills, probate, state inheritance and federal estate taxes will be reviewed, together with suggestions from experienced professionals on how to reduce income taxes, in context with the recent tax reform legislation.

This Tax and Estate Planning seminar, offered as a community service by Whittier office of Dean Witter and Co., Inc., will be held on Wednesday evening, November 17th at 7:15 p.m. at the Yorba Linda Public Library, 18262 Lemon Drive.

The professionals presenting the Seminar will be Robert N. Whitmore, Placentia attorney and Edgar C. Miller, associate vice president, Dean Witter & Co., who will act as moderator.

Tickets, up to 150 persons, are free and can be obtained by calling 521-9781.

The two hour seminar, with over 30 color slides to illustrate problems and answers in simple language, is designed for the higher tax bracket individuals, and promises to be most informative and timely, with recent changes in the tax law being highlighted.

MARCH OF DIMES "Super Bike-Walkathon" will be held November 21. Publicizing the event is Poster Child Amy McLeod, 6, with Peggy Muirhead, Yorba Linda, chairman of NOC Council, March of Dimes and Jim Buchner, Placentia campaign chairman. Walkers will cover 20 miles, starting from Amerige Park, Fullerton. Bike riders will go 40 miles from one of nine checkpoints near their homes. Sponsors will pledge dollars for each mile walked or ridden. Participants will receive prizes. Radio Station KWOW is co-sponsor.

—Library Showcase—

Information on antiques and collectables will be featured during November and December at the Yorba Linda library.

Books pertaining to all phases of collecting everything from buttons and bottles to match covers and Kewpie dolls are being featured.

These books tell where to look for such treasures, how much they might be worth and how to preserve them, display them and trade them.

In addition the Santiago Library System members have compiled a selected bibliography and resource list to further aid collectors in their research.

Of interest also is a display of dolls from the collections of Mrs. Islander and the late Mrs. Gae Kellogg which have been donated to the library.

Yule Cards

The Lung Association of Orange County is offering a selection of holiday greeting cards as part of its 1976 Christmas Seal campaign.

A total of 10 designs are being sold, including the present Christmas Seal depiction and six other selections from favorite Christmas Seals of the past. Also being offered is a special holiday postcard.

Presentation books including all 11 samples are being displayed at the Lung Association offices at 1717 North Broadway in Santa Ana.

"Smoking Apparatus" Petition Held

Permission to display and sell "smoking apparatus" at the business establishment, Music Plus, located in the north section of Placentia's Town Center, was continued Tuesday for further research by City Attorney, Charles Post III.

The application "raises several complex legal questions" Arnold Hamala, Director of Planning for the city reported.

The city's planning commission is expected to hear the issue at its November 23 meeting.

Traffic Study Proposed

The Orange County Environmental Management Agency, in cooperation with area cities has recently begun the Northeast Orange County Circulation Study or NEOCCS.

The purpose of the study, scheduled to last a year is to determine what changes, if any, need to be made to the area's streets and highways in order to insure adequate transportation over the next 20 years.

The study area lies generally east of Rose Drive and includes parts of Anaheim, Orange, and Placentia and all of Tustin, Villa Park and Yorba Linda.

Two public meetings are scheduled in the near future so that area residents can learn more about NEOCCS. Those attending the meetings will be able to discuss community transportation concerns with members of the study team.

Meetings are scheduled for 7 p.m. on November 18, at the Foothill High School cafeteria.

All interested citizens are welcome. Further information may be obtained by contacting the Engineering Division of the City of Placentia or Mayor Pro Tem William Rashford.

Yorba Linda's delegate to the Steering Committee is Councilman Doug Groot. He said the study will look at the overcrossings at Weir Canyon and both the river and railroad crossings on Fairmont Blvd. Groot urged interested associations and homeowners to obtain progress reports from George Britton at 834-5376.

Moneymaking specials.

Out of the ordinary plans for special interest groups.

Telephone transfer.

Your money earns nothing in a checking account. It earns 5¼% daily compounded interest as a savings. So keep a minimum account with us. When you need money in your checking account, call in your confidential code number. We'll transfer funds by phone ($500 minimum). Pick up your phone...and make your checking money pick up some interest.

Tax-saving I.R.A.

If you're not in a retirement plan, create your own Individual Retirement Account. Just contribute up to 15% of your annual income ($1500 maximum) in one payment or regular installments. The money you contribute is tax deductible ...so is the interest it earns until you use the money. Trustee fees paid by Perpetual.

Christmas or Chanukah Club.

Plan now for the Christmas or Chanukah holiday money you will need next year. Join our "CC" Club now! Save from $100 to $1000 and earn 5¼%, the highest interest rate allowable. The bigger your club, the more fun shopping will be.

Tax-deferred Keogh plan.

If you're self-employed, deposit 15% of your annual income ($7500 maximum) in a Keogh plan. The money you contribute for yourself and your employees is tax-deductible...so is the interest it earns. And you're taxed at a much lower rate as you use the money after retirement. Trustee fees paid by Perpetual.

Social Security Deposit Account.

Make your social security check earn interest...automatically, safely, conveniently. No more worries about theft or loss. No more waiting in long check-cashing lines. Just bring your next check to Perpetual. Fill out one simple form. Future checks will be mailed directly to us and we'll mail you a monthly receipt. Your money's available when you need it...and it's making money until then.

PACK 706 members, Jeff Ross and David Fisher, demonstrate how to pack, one of many activities to be performed by Boy and Cub Scouts at the Scout-O-Rama on December 11 at Anaheim Convention Center. Jeff and David are selling tickets to the event so you can see them pack in person.

Scout-O-Rama Ticket Sales

Thousands of Cub Scouts and Boy Scouts are knocking on doors throughout the county, for Scout-O-Rama '76 ticket sales for the show in the Anaheim Convention Center on December 11.

This years' show theme will be "America's Heritage-World Friendship". Much of the money earned by Scouting units reverts back as commission, to be used in financing their year round activities.

Tickets purchased at $1, as in prior years, will admit an adult to the event that includes a Pinewood Derby race, a Stage Show, Cook-O-Rama, Indian Village and displays of Scouting skills and activities.

The admission ticket will also have a stub entitling the purchaser to a $1 off on a Shakeys family size pizza at all participating franchises.

Belly Dancing

A class in Belly Dancing, as part of the Yorba Linda Recreation Department's classes for adult women, will start November 18.

The class will meet each Thursday for eight weeks at Linda Vista School, 5500 S. Ohio. Beginners attend from 6:30 to 7:30 p.m. with intermediates following from 7:30 to 8:30 p.m.

The registration fee is $15.50 for the session. Interested persons may register at Yorba Linda City Hall. For further information call 524-5020.

Brownie 946 Investiture

Wednesday, November 10, is a very important date to remember for girls of Brownie Troop 946. On this day families of the girls gathered to watch their Investiture, when they took their oath and officially became Brownie Girl Scouts.

The ceremony took place in the play yard of the Moravian Church in Yorba Linda. Beginning with the flag salute, the girls then recited the Brownie Promise and the "Brownie B's". Each girl, then, individually walked to the center of a bridge, said the Brownies Magic Rhyme, and looked into the mirrored pond below to see her "reflection", that of a new Brownie.

After the ceremony the girls took their guests into the meeting room, where they served cake and punch.

The new Brownies of Troop 946 are Adrienne Sanchez, Tiffany Hombs, Stacy Brenchley, Shauna Braly, Marti Chavez, Kristin Witbro, Kathleen Wilson, Stacie Houser, Jamie Moorhouse, Deborah Smith, Kymber Buscaglio and Kimi Stroud.

Leaders are Linda Hombs, Shiela Sanchez, and Connie Brenchley.

Intrapack Seeks To Expand

Pacific Intrapak, the 110-acre food processing, warehousing and distribution center development in Brea, directly north of Placentia, has named Larry A. Thayer, president of Thayer and Associates, Inc., general manager of the project and of its future development.

Thayer has been involved in the project as an energy consultant since the project's inception several years ago and has also participated actively in the development of the project since that time.

Thayer and Associates currently owns and operates the refrigeration plant which furnishes energy to the existing 100-thousand square foot Zero-temperature warehouse and will eventually own and operate an "on-site central energy plant" which will produce all the energy commodities --refrigeration, steam, compressed air and perhaps even electricity -- for the completed development.

The development has also been mentioned as a possible continuous source of water for Lake Placentia, located in Tri-Cities Park. The park is situated at the apex of Placentia, Brea and Fullerton.

Pacific Intrapak will one day contain over 2 million square feet of space devoted to processing and warehousing and will have an additional 80,000 square foot office tower to house administrative operations.

CONFRONTATION--In this scene from "Arsenic And Old Lace", which will be presented November 18 and 20 at El Dorado High School, Eric Traub [Teddy Brewster], who believes he is Teddy Roosevelt, is confronted by his brother in the play, Eric Post [Jonathan Brewster]. Kent Riehm [left], who plays Dr. Einstein watches.

"Arsenic And Old Lace" Plays

The suspense comedy of two little old ladies who serve poison with their tea will be staged by students at El Dorado High School when "Arsenic and Old Lace" plays at 8 p.m. Thursday and Saturday, Nov. 18 and 20, in the campus Lecture Hall, 1651 North Valencia Avenue, Placentia.

The dramatic favorite by Joseph Kesselring unfolds a tale in which insanity "practically gallops" through a family.

Heading the cast as the two Brewster sisters are Janet Mullender and Gayla Musgrove. Others are Saif Bayati as the Rev. Dr. Harper, Eric Traub as Teddy Brewster, Bob Middleton as Officer Brophy, Greg Sykes as Officer Klein, Lisa Trook as Elaine Harper and Craig Vreeland as Mortimer Brewster.

Also in the cast are Tim Ashbourne as Mr. Gibbs, Eric Post as Jonathan Brewster, Kent Riehm as Dr. Einstein, Robert Pratt as Officer O'Hara, Tim Peirson as Lt. Rooney, Alex Hart as Mr. Witherspoon, Tim Gallivan as Mr. Hoskins and Mike Rosenberg as Mr. Spenalzo.

Drama instructor Gai Jones is director of the play, and Doreen Eadie is student director.

Tickets will be available at the door for $1.75 for general admission and $1.50 for students with Associated Student Body (ASB) cards. Senior citizens with Placentia Unified School District Gold Card Club memberships will be admitted free.

Set your thermostat at 68° instead of 72° and save! If you're in the habit of keeping your thermostat at 72°, you're wasting money.

Because with a slight flick of the wrist to the left, you can move the needle to 68°. And move your heating costs about 28% lower.

There are other ways to lower heating costs, too.

Properly insulate your attic. With proper insulation you can reduce heating costs substantially. You'll also save on air conditioning costs. Based on today's prices, properly insulating an attic in a typical house runs between $200 and $300.

And what better place to invest your money than in your own home? It's a sensible long-term investment. So call an insulation contractor.

Some more ways to lower heating costs and save energy. Lower your heat setting or turn it off when you're away from home. However, in areas where freezing may occur, a 40° thermostat setting is advisable.

Weather-strip your doors and windows. Close your draperies and curtains to keep heat in. Keep the fireplace damper closed as well as vents in rooms not being used. Make sure your filters are clean. Maybe they even need replacing.

Dirty return-air grilles and warm air ducts can cost you, too. And if you have electric radiant heating it will be worth your while when you are home to turn off thermostats in rooms not being used.

Taste Barrier Broken.

'Enriched Flavor'™ breakthrough ends struggle to bring taste to low tar smoking.

For years, dependency on tar for taste has created a taste barrier for low tar smoking.

Now that barrier has been broken. Broken for good by a remarkable new cigarette called MERIT.

MERIT is packed with 'Enriched Flavor' tobacco.

The result of a radical new discovery so successful at boosting flavor, MERIT actually delivers the taste of cigarettes having more tar.

Up to 60% more tar.

Yet MERIT has only 9 mg. of tar. One of the lowest tar levels in smoking today.

MERIT and MERIT MENTHOL

Tests Verify Taste

MERIT was taste-tested against current leading low tar brands ranging from 11 mg. to 15 mg. tar.

Thousands of smokers were involved. The majority report: *even if the cigarette tested had up to 60% more tar than MERIT, MERIT still delivered as much—or more—taste.*

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette.

Aztecs in CIF

by Peter Bourke

Esperanza High School capped their 1976 Orange League grid season last Friday when they handily beat the favored Raiders from Sonora 25-7 at Bradford Stadium.

It was the second upset in a row for the Aztecs as they downed La Habra two weeks ago, another CIF 2A power. The victory upped their league record to an impressive and surprising 5-1-1 and put them in sole possession of second place in probably the toughest league in CIF 2A.

The second place finish in league is the Aztecs' best grid finish in their first four years of existence. They even came within seconds of being league champions as La Habra downed El Dorado with a field goal in the last 20 seconds of play to clinch the title by a 10-7 score.

La Habra boasts a 6-1 first place record following by Esperanza and Sonora. Sonora finished with a 5-2 mark in league.

Esperanza will now host Artesia Friday in the first round of CIF competition. La Habra and Sonora will be the other two O.L. representatives in CIF. La Habra plays Norte Vista and Sonora is at Costa Mesa.

The key to last week's win for the Aztecs was their persistent defensive performance. They held the explosive Raider offense to just one touchdown, that score set up by an Esperanza fumble deep in their own end.

Don Stodola wasted no time in putting Esperanza on the board initially against Sonora when on the first drive of the game he carried the ball for a total of 78 yards in 5 efforts for the TD.

It took a little over a minute to tally the six pointer and, following an unsuccessful PAT, Esperanza was out in front 6-0.

Sonora's defense tightened up and midway through the second period decided it was their turn. On a mishandled snap by Aztec quarterback, Mike Ludwig, the Raider defense recovered the ball on the Esperanza 20.

Sonora quarterback Matt Switzer threw to Jim Calcagne a few plays later and Brian Greer's PAT made the score 7-6. It was to be Sonora's first, and only, score of the evening.

Aztec Tailback Brad Goettsche set up the next Esperanza score when he went 68 yards on the kickoff return all the way down to the Raider 23 yard line. Stodola again recorded the touchdown, this time on a two yard dive to make it a 12-7 Aztec lead.

Esperanza was not content with the 5 point lead and with just 45 seconds left in the half, Ludwig hit Jim Teehan on a 9 yard touchdown toss to put them out in front comfortably 18-7 at halftime.

Stodola, a senior tailback, had an outstanding evening rushing for Esperanza, carrying the ball a total of 21 times for 222 yards. It was his top performance thus far this year and puts him near the top among the Orange County rushing leaders race.

The Aztec defense stiffened in the second half and didn't allow the Raiders inside the Esperanza 20 the entire half. They recorded the decisive tally with just 2:10 remaining in the contest when Stodola dashed 32 yards for the score. Goettsche's PAT was successful and the game ended with a decisive 25-7 score.

Esperanza Head Coach Pete Yoder credited the victory mainly to the improved defensive squad. "We're finally starting to play tough defensively," commented Yoder, who has now taken the Aztecs to CIF in both of his two years as coach here.

THROWN FOR LOSS—Exhibiting the tremendous defense which keynoted Esperanza's 25-7 win over Sonora is this behind the line tackle of a Sonora runner by Luke Carlier [64 dark jersey]. Win gave Aztecs second place in league and berth in CIF playoffs.

Contest Winners

In one of the most difficult contests to date, football fans groaned as several upsets ruined their entries in the ninth weekly "GRIDIRON GUESSES" Contest.

Three fans picked 15 winners in the 20 games but **Phil Avalos, 3130 Topaz Lane #D, Fullerton,** came up with 16 correct guesses and won the prize which will be awarded by **Viking Lighting & Paint, 4895 Main, Yorba Linda.** Phil can claim his prize by picking up his winning entry at the STAR office, 4897 Main Street, Yorba Linda and taking it next door to the sponsor.

Notre Dame's win over Alabama, Kentucky's upset of Florida and the losses by the Rams, Chargers, 49'ers and Packers in pro football were the results which foiled the fans.

One fan tried to beat the odds by submitting several entries in various combinations. The best he could do was 14 winners on one of them. Although unstated to this date, **only one entry per person is allowed.**

This week's contest features six of the CIF playoff games in which area high school teams are involved.

TELLS A STORY—Extended finger of David Doyel, Troy High footballer, signifies Warrior's position in Freeway League which team shares with Anaheim. Troy trounced Lowell 34-0 in final league game and will begin play in CIF playoffs this weekend.

Troy Co-Champs

by Scott Emblidge

It has been a long time coming but finally Troy High School has captured the Freeway League football crown. Some glamour is removed from the honor because the Warriors are sharing the title with Anaheim, but still, for the first time in Troy's history, they have a taste of a football championship.

The Warriors now advance to the CIF playoffs against North Riverside this Friday evening at Fullerton Stadium. This is only the second year that Troy has been in the playoffs and the first year the team has won seven games. Last year under Head Coach Phil Oram, Troy was eliminated in the opening playoff round by El Modena.

Oram looks forward to a good game against North Riverside and he says "both teams are very similar on offense. They hand the ball to the tailback and don't throw a lot."

If the Warriors can put it together like they did in the Lowell game, which Oram said was the best complete game this year for Troy, it might be another first with the Warriors making it to round two.

The Warriors compiled a 6-1 season record and finished strong with a 34-0 win over Lowell last Friday evening at La Habra Stadium.

Tony Bushala again had an excellent game gaining 160 yards and scoring three times, but Bushala had to share the spotlight with Scott Semonell.

A 5'8" senior, Semonell has been a standout defensive cornerback all season, but since Tony's brother Albert was injured, Scott has been one of Tony's backfield mates.

Semonell scored one touchdown on an 81 yard punt return, intercepted two passes, gained 62 yards rushing and played excellent defense.

Troy's defense had possibly their best game this year, holding the Patriots to minus 14 yards rushing and intercepting four passes from Lowell's quarterback, John Doak.

The defense started the offense rolling also. On Lowell's first possession, they fumbled and the Warrior's Steve South recovered on the Patriot's 47 yard line. Nine plays later Bushala ran it in from the ten to take an early 6-0 lead.

Troy's defense held the Patriots again and Lowell punted to the 19 yard line where Semonell gathered in the ball and started down the sideline.

Scott broke numerous tackles and on a great individual effort took the ball 81 yards for Troy's second touchdown. The two point conversion failed but the Warriors still maintained a 12-0 lead.

On Lowell's next possession, the defense did it again. Raymond Grahm recovered a fumble deep in the Patriots territory to set up a Dan Worthington field goal of 22 yards. This brought the score to 15-0 before time had run out in the first quarter.

After an exchange of punts, Worthington picked off a Doak pass and returned to the 41 yard line of Lowell. Bushala and Semonell ran the ball down to the six where Bushala went around end for his second touchdown. The Warriors went into the locker room with a 22-0 lead following Worthington's extra point.

Troy scored late in the third period on a pass to Worthington from quarterback Richard Bridgford and ended the onslaught in the final quarter on a 71 yard scamper by Bushala.

Hawks Lose A Lot By A Little

by Brian Hilderbrand

El Dorado's hopes of a CIF playoff berth were laid to rest Saturday night following a 10-7 heartbreaking loss to La Habra.

The demise arose from complications of a 20-12 mugging by the Sonora Raiders a week earlier.

Survivors include La Habra, Esperanza and Sonora, all of which will enter the playoffs, the initial as league champs.

For the Hawks, it is the first losing season in seven years, and the first time they haven't won or shared the Orange League title in three years. ED ends up in fourth place with a 4-3 OL record, and a 4-5 season mark.

The critically injured Hawks entered the contest with only one ray of hope: by beating the top team in 2A, El Dorado could tie for second and a shot at the playoffs.

Only one other team could be more upset than El Dorado, and that's Esperanza. Had the Hawks beaten La Habra, the Aztecs would have won the OL title. Instead, Esperanza placed second.

El Dorado certainly had the opportunities to rack up the points. The "Clan" coughed up four fumbles and an interception and the Hawks converted only one, the interception, into a touchdown.

With just three seconds showing on the clock, the Hawks got on the board. After Rick Hayes intercepted a Stu Smith pass on the Clan's 39 yard line, quarterback Brian David threw two passes to get the ball down to the 19. David ran the next play to the 16 yard line. On third down and one, David hit Ronn Bose with a pass up the middle for the TD. Frank Weber's PAT split the uprights to tie the game at 7-7.

La Habra's score came three minutes earlier after El Dorado was forced to punt following their first possession.

The Clan took the ball at their own 28, and marched 72 yards for a TD. The drive was capped by a nine yard scoring run by Mark Hertzler. Mike Findling's PAT was good to give La Habra the 7-0 lead.

Both teams played through a scoreless third quarter, and there was no action until the last minute-and-a-half.

La Habra gained possession of the ball after an ED punt to the Clan's 26 yard line.

Four plays later, Smith put up a pass that came to rest in John Gozzo's arms. Gozzo was finally wrestled down by two defenders at the five yard line.

The El Dorado defense toughened up, and didn't allow a touchdown. But on fourth down, Findling came in with 11 seconds in the game to attempt a field goal.

Findling's kick was good to put the game away at 10-7.

"We got all the breaks, we just couldn't capitalize on them," stated ED coach Glen Hastings.

Hastings commended his defense for doing "an unbelievably good job." Most notable was Dino Benson, who scooped up two of the Clan's four fumbles.

El Dorado's defense proved to be the top in the league, allowing the fewest points, 46.

Looking ahead to next year, Hastings feels that "We should be much better, and should get progessively better each year for the next three years."

Knoop Quits

Manager Bobby Knoop of the El Paso Diablos, an Angel farm team, will not be returning for the 1977 season. The former Golden Glove second baseman for the Angels will devote full time to his insurance business in Orange County.

Knoop, a Yorba Linda resident, enjoyed two outstanding seasons as a minor league manager. In 1975, his Quad Cities team won both the first and second half pennants in the Midwest League with an overall 78-47 record. His El Paso team last year finished second in the Texas League with a 77-56 mark.

Tigers Lose To Wildcats

The Valencia Tigers lost their opportunity this year to win in league as Brea-Olinda came up with one more touchdown for a Brea 20 to 14 win.

The game was played Friday night at Brea.

The Tigers had to come from behind to find their 14 points and began their telling attack in the third quarter of the game. Mino Rodriguez set up both of Valencia's scoring successes. The Tigers were again on the march when a Rodriguez pass was intercepted at the Valencia 30 yard line with only 30 seconds left in the game.

It was the third consecutive year that the Tigers have failed to achieve a league win.

The first Tiger touchdown in the game followed a 35-yard run by Rodriguez where he lost the ball. Carlos Esquivel chased the pigskin into the end zone and retrieved it for the touchdown.

It was Rodriguez again on the second score following a 78-yard advance when the agile quarterback threw a scoring pass to Tom Bennett.

The Brea Wildcats, who had been held scoreless in their last games, were put back on the boards with their three touchdowns over the Tigers. Brea's Joe Martinez ate up the most ground and Scott Vanderburg, Steve Selwig and Martinez were the touchdown scorers.

It also was the Wildcats Homecoming game.

RUSHING THE PUNTER—Tiger Martin Mooney puts the pressure on when Brea had to punt in Friday night's football finale. Neither Placentia football team will see post season action.

Junior All American

The Placentia-Yorba Linda Junior All American Football league held their elections recently and have selected their board for 1977, the group reports.

The men's board officers include Bob Averill, president; Terry Ash, first vice president; Ed Waldron, second vice president; Tom Dorch, treasurer; Mike Mos, secretary; Bob Cash, athletic director and George Fleming, equipment manager.

The Women's Auxiliary Board members for 1977 are Ann Barber, president; Kay Schaffer, vice president; Linda Clausen, assistant vice president; Joanne Durske, secretary; Patty Briscoe, treasurer; Kathy Ash and Pat Cash, game field concessions; Betty Poole and Shirley Jurk, practice field concession.

Also, Anita Mos and Lois Halverson, purchasing agents; Pat Waldron, cheerleading coordinator; Susan Willitts-Taylor, team mother coordinator; Fran Fuller, candy sales; Judy Krouse, dance chairman; Julie Esposito, jacket sales; Kathy Dorch, picture chairman; Carol Borowski, Publicity; Judy Krouse, historian and Jewell Libby, Swap Meet.

Grapefruit Schedule

The Los Angeles Dodgers will open their 25-game 1977 Grapefruit League season against the Boston Red Sox on Thursday, March 10, at Winter Haven, Fla.

The Dodgers will mark their 30th anniversary of Spring Training in Vero Beach, Fla., and will play their opening 1977 game at Dodgertown on Friday, March 11 as they host the Red Sox.

The highlight of this year's pre-season schedule will be a two-game series against the New York Mets, to be played Saturday and Sunday, March 19-20, in the Dominican Republic.

The Dodgers return to the Southland for the annual Freeway Series with the California Angels, which will be played Friday and Saturday nights, April 1 and 2 at Anaheim Stadium.

'Barefoot' Premieres

"Barefoot in the Park" premiers Thursday night at 7:30 in the VHS auditorium for a three night engagement.

Presented by the Valencia drama club, the Neil Simon comedy stars Virgina Bratcher and Colin Thielmann as Corrie and Paul Bratter.

Also appearing will be Jessie Roth as Ethyl, Blake Vartanian as Victor, Pat Burke as the telephone repair man, and Steve Arrghi as the delivery man.

Prices for the show are adults $2, students with an ASB card $1.50 and students without the card $1.75.

Basketball Challenge

The Valencia faculty has been challenged to a basketball game by the El Dorado High School faculty. The milestone clash will take place Monday, November 22, in the El Dorado gym at 7:30 p.m. Coaches and administrators from both schools will take part in this special activity. Tickets sold at the door will be $1.

Turkey Raffle

Valencia's Tiger Aquatics Booster Club will hold a turkey raffle on Saturday, Nov. 20 at 10 a.m. on the VHS pool deck.

All members will be selling raffle tickets at 50 cents each with a $1 off on any Shakey's pizza.

The club will use all benefits for summer league entry fees, storage benches for the lane lines and for the making of a film on the water polo games and swim meets of the 1976-77 school year.

Band Marches On

Valencia Band, under the direction of Andy Bumatay, conducted a March-A-Thon last Thursday to raise money for parade and review entry fees and to draw attention to the pride of involvement represented at Valencia. The band members marched 20 miles along the Santa Ana Trail to the beach.

THE ARMY CAN HELP YOUR SON OR DAUGHTER SAVE $8100 FOR COLLEGE OVER THE NEXT THREE YEARS.

INTRODUCING A NEW EDUCATIONAL ASSISTANCE PROGRAM.

Starting January 1, 1977, your son or daughter can accumulate up to $8100 for college or vocational-technical school during just 36 months in the Army.

Under this Educational Assistance Program, they can save from $50 to $75 each month, with their savings matched 2 for 1! And that adds up.

FOR EVERY DOLLAR THEY SAVE TOWARD COLLEGE, TWO WILL BE ADDED.

By participating in the new program, a young person gets three dollars back for every dollar saved toward college or vocational-technical school—the dollar saved plus the additional two dollars of matching funds.

If the maximum of $75 a month is saved ($2700 over 36 months), $5400 will be added for a total of $8100. If the minimum of $50 a month is saved ($1800 over 36 months), $3600 will be added for a total of $5400.

HOW DO THEY COLLECT?

Assuming your son or daughter has finished the 36-month enlistment in the Army and has deposited, for example, $75 to the educational fund each month, the $8100 accumulated under the program will be paid in monthly installments of $225 for each month of college or vocational-technical school completed.

If they decide not to continue schooling after the Army, they get back all the money saved. The matching funds will be paid only if used toward completing up to four years of college or vocational-technical school. The extra $5400 matching amount becomes a strong incentive for a young person to continue with school.

THEY CAN ALSO GO TO COLLEGE WHILE IN THE ARMY AND WE PAY UP TO 75% OF THE TUITION.

If your son or daughter enlists in today's Army, all kinds of educational opportunities are open for earning college or vocational-technical credits right on post with the Army paying up to 75% of the tuition. Under Project AHEAD, for example, a young person can enlist in the Army and enroll in college or vocational-technical school at the same time. Over 1400 colleges and universities around the country now participate in Project AHEAD. It's a great chance for a young person to get a jump on the future.

YOUR LOCAL ARMY REPRESENTATIVE IS THE PERSON TO TALK TO NEXT.

This new Educational Assistance Program, along with all of the other educational benefits the Army offers, will help your son or daughter serve their country better as soldiers now, citizens later. There's no better time to start getting that education than now. Your local Army Representative has full details on all the educational and other opportunities for young people in today's Army. Or, if you'd like us to send the information to you, just mail the coupon. Or call 800-431-1976 toll free. In NY, call 800-243-5614.

PW Aztecs Make Bowl

The Placentia-Yorba Linda Aztecs came from adversity to a league championship and an Orange Bowl invitation by playing the league leading Cypress Cougars to a 0-0 tie at Cypress last Saturday night. The Aztecs are a member team of Placentia-Yorba Linda Pop Warner football and play in the Midget division.

The Orange Empire Conference of Pop Warner Football informed the Aztec coaching staff that they had been declared co-champions of the Midget division along with Cypress and the Santa Ana Rookies, all of whom finished with the same number of points in the final league standings.

These three teams will meet tonight (Wednesday) in a California tie-breaker to determine who will play who in the Orange Bowl later this month and who will play the team that has been invited from Hawaii.

The Aztecs, who lost two of their first three games, put it all together in the latter part of the season and won five straight games before the tie with Cypress, thus climbing slowly upward in the standings until they caught the Rookies and Cougars.

In the game last Saturday, the Aztecs completely dominated the slightly favored Cougars. The deepest penetration that Cypress could make in the swarming Aztec defense was to the Aztec 48 yard line.

Meanwhile, the Aztec defense and the tremendous kicking of Ron Benedict kept the Cougars buried deep in their own territory. However, the Cougar defense was also tough as the Aztecs could not mount a sustained drive until late in the game.

The Blue and Silver penetrated the Cougar defense several times, but never deep enough to score. With only seconds left in the game, Bill Watroba intercepted a Cougar pass and ran it back to the Cypress 8. A running play took the ball to the two and another running play lost a yard.

With only eight seconds to play and no time outs left, the Aztecs Steve Rutledge tossed a pass to Joel Zoller but unfortunately Zoller could not handle the damp ball and the game ended. The Aztec team was heart-broken, but the Cougars were very thankful as they had been completely outplayed.

The coaching staff of the Aztecs expressed their extreme pride in this fine team as they never gave up during the entire season and kept plugging away until they finally overtook the Rookies and Cougars to gain the co-championship and the Orange Bowl bid.

This is the second time in three years that the Aztecs have gone to the nationally famous Orange Bowl. More details on the Aztecs opponent will be released next week.

The coaching staff wishes to express their complete pride in all of the Aztec team who did such a great job this season and will well represent Placentia-Yorba Linda Pop Warner in the Orange Bowl:

Mike Baker, Ron Benedict, Kyle Cost, Chris Church, Joel Zoller, Jerry Mason, Ralph Clemmer, Brent Houghton, Kevin Chavez, Steve Rutledge, Bill Watroba, Matt Good, Jon Evans, Jeff Moorer, Don Mumma, Mike Yarter, Steve Simmons, Bernie Williams, Chris Williams, Ben Orrick, Steve Hernandez, Dan King, Francis Morikami, Jim Waymire, Tracy Kennedy, Ken Arambula and Al Herrera.

This Saturday the Aztecs journey to Rancho Bernardo for their final game of the season before preparing for the Orange Bowl.

Hats off to a team which came from 7th place after three games in the season to be co-champions of the Pop Warner Midget Division.

Bob-Etts Tryouts Scheduled

Bobettes this week announced the following managers and coaches for the three traveling teams for the 1977 softball season.

For the new Mid-Senior team: Dorothy Mezey will be the manager and the coaches will be Pat Puettmann, Jerry Dillard and Mel Spiro. The Pacers will be staffed by Eula Mae McLaughlin, manager and Carl Ashford and G.L. Cleveland as coaches. The Patriots manager will be Correne Lane and the team will be coached by Brue Lane and Price Hodges.

Traveling team tryouts will be held on Saturday, Dec. 4 at 9 a.m. at Morse Elementary School. The rain date for tryouts is Dec. 11. All girls who have completed the eighth grade and who have participated in Bobettes are eligible to tryout for the traveling teams.

Football Boosters

The Esperanza Football Booster Club will meet on Tuesday, November 23, at 7:30 p.m. in the teacher's lounge at Esperanza High School. Films of the CIF game with Artesia will be shown.

All parents and Booster Club members are invited to attend.

Hawks Water Buoys In CIF Playoffs

by Brian Hilderbrand

El Dorado's water polo team, in preparation for the CIF playoffs, upped its season record to 13-5 with two wins last week. They now sport a perfect 5-0 Orange League mark.

The Golden Hawks chalked up a league win against Sonora, 12-3, and a non-league victory over La Serna in overtime, 11-10.

Against La Serna, El Dorado made a comeback in the closing minutes of the game to tie the Lancers, and went on to win in overtime.

In the initial period, ED was outscored 3-1. The Hawks came back with three of their own in the second quarter, against two Lancer goals, closing La Serna's lead to 5-4.

El Dorado saw that margin widen in the third period as the Lancers put in two goals. The Hawks were held scoreless, and La Serna's lead increased to 7-4.

In the final period of regulation play, El Dorado had a surge of three goals to tie the game at seven, and send it into overtime.

The Hawks outscored the Lancers 4-3 in the two overtime periods to pull out the 11-10 victory.

Devin Claffey and Mark Rangel each scored four goals to pace the Hawks. Eric Andrews put in two, and Grant Jeffries added one to round out the scoring.

Earlier in the week, the Hawks traveled to Sonora for a league match.

Devin Claffey proved again to be the offensive power for El Dorado, scoring six of their 12 goals.

Claffey hit on two shots in the first period, and Jeff Richards added one to put the Hawks out in front, 3-1. Brad Stolshek scored the Raiders only goal in the quarter.

Sonora's Cliff Houser opened the second stanza with a goal to whittle the Hawks' lead to 3-2.

El Dorado then exploded with four goals to inflate their lead to 7-2 at the half. Claffey put in three and Mark Rangel hit once for ED.

The Hawks were relatively quiet in the third quarter as Claffey and Eric Andrews each scored once for the only scoring of the period. Going into the final quarter, ED held a commanding 9-2 advantage.

Bob Sellers scored twice within 30 seconds in the fourth, putting El Dorado in front by nine. Mike Mahan hit on a shot with 1:10 left in the game for the Hawks' final goal.

With 25 seconds left in the contest, Stolshek scored the last goal of the game to produce the 12-3 final.

"We've got our momentum going now," commented El Dorado coach Walt Druff.

On the Hawks' chance in CIF, Druff stated: "If we're ready to play, we can beat anybody."

The Hawks will play away in their last regular season game of the year. ED will play Rancho Alamitos on Friday in a non-league contest.

The first round of the CIF playoffs will be held Tuesday, November 23, at Esperanza High School. El Dorado's opponent has not yet been determined.

La Serna	3	2	2	0	1	2--10

Piranhas Win 26-6

by Shirley Hummitsch

The PYLJAA Piranhas won their first play-off game Saturday when they defeated the So. Huntington Beach Vikings, 26-6, in Mission Viejo. The Jr. Pee Wee Piranhas completely dominated the game with a total yardage of 207 yards to the Vikings 86.

Touchdowns were made by Pat Wren, on a 4 yard run; John Rodriguez on a 53 yard pass from QB Eddie Lydic; Mike Hughes on a 19 yard interception and Mitch Atchley on a 33 yard run. Only two extra points were made. One was by Wren on a 3 yard run and another by Atchly on a 3 yard run.

Leading ball carriers were Hank Espinoza, who played super aggressive ball, racking up 78 yards for 9 carries; Atchley who rushed 43 yards in only 3 carries and Wren who pushed ahead 14 yards in 5 tries.

Defensively, Espinoza led the team in tackles by felling 9 opponents. Both John and Ricky Rodriguez (unrelated) stopped 8 while Jim Higgs and Steve Stewert knocked down 5 Vikings each.

Piranhas Head Coach, Carl Hummitsch, was very pleased with the victory and looks forward to the team's next contest which, as fate would have it, is against another PYLJAA team, the Sharks.

It will be the quarter finals, scheduled to be played at Newport Beach Harbor High School, this Saturday at 5 p.m.

Engagement Told

Mr. and Mrs. Lazenby of San Jose and former residents of Yorba Linda announce the engagement of their daughter Bridget Lynn to Robert Moody, son of Mr. and Mrs. Robert Moody of Los Altos and formerly of Whittier.

Bridget graduated from Troy High School in 1972 and was active in Yorba Linda Cloverleaf 4-H for eight years. She is employed at J. C. Penney's in San Jose.

Robert is a graduate of Brooks Institute of Photography and is self employed.

The couple plan a November 27 wedding in Cupertino, California.

YOUR Pharmacist SPEAKS

By John Payne, Owner - Reg. Pharmacist

LINDA VISTA PHARMACY

Until about the mid 1800's, the surgeon alleviated pain in his patient with a blow to the head...sometimes more lethal than the disease...or with the "drugs" that were available: Brandy, opium, mandrake root. Results were difficult to predict or control.

Then, in 1846, a dentist named William Morton agreed to a test. Using ether, a surgeon removed a tumor from under a patient's jaw. There was no screaming, no need for tying the patient down, no evidence of pain. After the operation, asked if he felt pain, the patient said his neck "felt as it is had been scratched". It was the beginning of modern anesthesia.

Your recovery from illness may start right here in our modern, well stocked Prescription Department.

HANDY HINT: Sore throat? The scratchy feeling will leave if you gargle with a mixture of one cup warm water and one teaspoon of vinegar.

Xi Theta Psi Party

Members of Xi Theta Psi chapter of Beta Sigma Phi sorority will be treated to a Bunko party given by their husbands. The November 20th event will take place at the home of Mr. and Mrs. Charles Lovall, Orange. Prospective members and their husbands are also invited.

The chapter will hold their next bi-monthly meeting on Monday, November 22nd where a new series of cultural programs begins entitled "The Fine Arts".

Mrs. Lou Rozsypal, Brea, will present the initial program on literature at the home of Mrs. Charles Robinson, Anaheim. Mrs. Charles Lovell, president, will conduct the business meeting where a box loaded with Christmas packages will be readied to send to the teenage girl the chapter sponsors at Girlstown, U.S. A.

Sons- Norway Plan Dinner, Dance, Bazaar

Solbakken Lodge #64, Sons of Norway, is presenting their annual Lutefisk and Meatball Dinner on Saturday, November 20. This dinner will be held at the Placentia Roundtable Club House, 901 N. Bradford, Placentia.

Dinner will be served from 4 p.m. to 8 p.m. The public is cordially invited. There will be a Gift Bazaar that will offer authentic Norwegian crafts and gifts. There will also be a raffle of a King Olaf medallion and handcrafted items.

The Lamplighters will play for the dance following the dinner.

Reservations may be made by calling Lorraine Fox.

Marywood Bazaar

The annual Marywood Christmas Bazaar will be held on Sunday, November 21 from noon to 8 p.m. at Marywood Campus, 2811 Villa Real Drive, Orange. One of the more unusual attractions to be offered at the bazaar is a "Parcel Post Booth".

Students have been busy writing to celebrities and acquaintances around the world requesting a small memento to be sent to the campus. These objects will be raffled from the "Parcel Post Booth", with the buyer not knowing whether he will receive a tea cozy from rural England or a handkerchief from Robert Redford.

The bazaar features many other interesting events aimed at the enjoyment of all ages. A roast beef dinner and salad bar will provide sustenance for those who determine to fully enjoy the bazaar by spending as much time as possible there. The proceeds of the bazaar go to the Marywood Development Fund.

Nixon Luncheon

Richard Nixon Parent - Teacher Association will host their annual luncheon for the staff of Richard Nixon school today (Wednesday) from 12 noon until 1 p.m. in the Instructional Materials Center at Nixon school. A salad luncheon is planned.

Debbi Rossi Is Mrs. Stanley

Mrs. Sheneau Stanley

Debbi Jean Rossi, Placentia, became the bride of Sheneau Amos Stanley of Villa Park in ceremonies conducted Friday by the bride's brother, Rev. James F. Rossi along with Rev. Steven Rexroat.

The wedding was held at the First Baptist Church of Santa Ana in the evening hours.

The bride, who is the daughter of Mr. and Mrs. Dominic Rossi, Placentia, wore a white lace gown with a scoop neckline and a long train. The ornate veil was fashioned in four tiers with matching lace. The bride carried red roses and white carnations.

The groom is Sheneau Amos Stanley, son of Mr. and Mrs. Jerry Stanley of Villa Park.

He was attended as best man, by his brother Shadd Stanley of Villa Park and ushers serving were Tristan Venzke, Santa Ana; Shannon Stanley, a brother, Villa Park; Rick Kellison and Dave Thomas, both of Villa Park.

Mrs. Stanley's maid of honor was her sister, Diana Rossi, Placentia, who wore a cranberry colored dress with a matching chiffon cape and carried white roses.

Bridesmaids included Darlene Schendel of Whittier; Paula Willard, Santa Ana; Janine Martinez, Anaheim and Wendy Schrack of Placentia. All were dressed in cranberry shaded gowns.

Candlelighters for the wedding party included Terri Hall, Nancy Woods, Byron Seda and Dave Stoermer, all from Santa Ana.

The flower girl was Michelle Rossi and the ring bearer, Michael Rossi, niece and nephew of the bride.

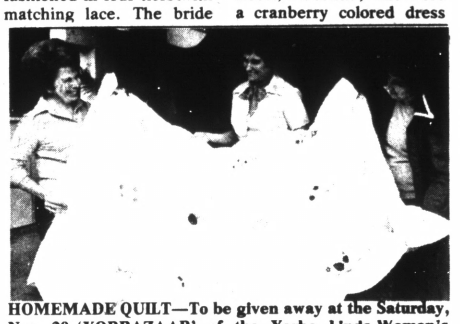
The bride's mother was costumed in a pink chiffon gown with a cape and wore red roses. The bridegroom's mother wore a blue gown with white roses.

A reception was held at the First Baptist Church for 300 guests and Kandi Moore presided at the Guest Book.

The bride is a graduate of El Dorado High School, Fullerton College and Real Estate School. She is employed as a secretary. Mr. Stanley is a graduate of Villa Park High School and Real Estate School. He has recently won five trophies in his real estate work.

Ornate decorations at the church included roses and candles placed down the aisles and doves in cages with flowers around them.

The newlyweds will make their home in Anaheim after returning from a honeymoon at Big Bear.



HOMEMADE QUILT—To be given away at the Saturday, Nov. 20 'YORBAZAAR' of the Yorba Linda Woman's Club. Quilt has flowers of states embroidered on it. Many items will be on sale. Displaying quilt is Dorothy Brough, Helen Taylor and Vivian Burmaster.

Toastmasters Schedule Meetings

Toastmasters Centennial Club No. 484 held its bi-weekly meeting with Mrs. Janet DiGiambattista, of Placentia, and Mike Fellon, of Anaheim, being inducted into the club.

Tony DiGiambattista attended the meeting as a guest. Sam Donaldson, of Club 3798, was the General Evaluator for the meeting.

Speaking awards for the evening were: Rene Tijerina, Best Evaluator; Rich Weiss, Best Speech and Walt Hamilton, Best Table Topics.

Toastmasters is a non-profit educational organization. Men and women interested in pursuing a course in public speaking and leadership training should contact either Rene Tijerina at 638-7140 or Rich Weiss at 524-8221. Guests are welcome at all meetings which are held on the second and fourth Mondays of the month at the Placentia Library.

'Yorbazaar' Saturday

Highlighting the YORBAZAAR fund-raising event sponsored by the Yorba Linda Woman's Club will be a handcrafted quilt embroidered with state flowers by the membership.

Opportunity tickets will be available on the quilt at the event on Saturday, November 20, 10 a.m. to 4 p.m., at the clubhouse located on Yorba Linda Boulevard and Valencia, or by calling YORBAZAAR chairman, Mrs. Earl Taylor.

Other items available will be handcrafted gifts, plants, hand-decorated stationery, collectibles, and take-home foods. A luncheon will be served at noon.

Proceeds from the event will help support the club's philanthropic projects.

"Peggy's Pointers"

With today's astronomical high prices on homes, we seem to be staying where we are more than ever, and adding on to our existing homes rather than moving into new quarters. When working on room additions, the key to a good job is PLANNING. List out the reasons for wanting to add on. This will help you to see what the function of the room is to be. Next, list the appointments which you would like to have in the room - such as built-ins, closets,, window treatments, etc.

When you have gotten this far, contact a designer and go over your needs again. At this time, the professional assistance of a designer will guarantee you a workable and attractive room addition. Furthermore, she will be able to suggest to you ways of utilizing your space more efficiently as well as to be able to add suggestions for lighting, ceiling effects, and windows which will give you best use of your utilities.

Ep Lambda Keeps Busy

Mrs. Richard Robertson of Fullerton, president of Epsilon Lambda Chapter #3306, Epsilon Sigma Alpha International, convened the November 3rd business meeting at the home of Mrs. Mike Moore, Yorba Linda, where members heard a report on their recent successful garage sale. The proceeds will be used to support the Chapter's philanthropic projects.

Plans were completed for a progressive dinner held November 13, with members and guest costumed in the nostalgic style of the Fifties. The event began with cocktails at the Placentia home of Mrs. Ralph Unkefer, and continued with a potluck main course at Mrs. Moore's home.

Epsilon Lambda Chapter is co-hostess for the combination boutique and luncheon to begin at 10:30 at the Revere House in Tustin.

The Chapter's November social will be a Rush Tea at Mrs. Richard Pasternak's Placentia home at 8 November 16. The December 7 business meeting will begin at 8 at Mrs. Unkefer's home.

Sunday School Collects Food

Sunday School members of the Placentia Redeemer Lutheran Church are conducting a food drive for the needy families.

The canned goods will be collected on Sunday morning, November 21 and blessed at the morning worship.

The food will be delivered to needy families for Thanksgiving through the Placentia Social Services Department, it was reported.

Social Services Director Named

The City of Placentia has announced the appointment of Jeffery Nimeshein to the position of Social Services Director. He assumed his new post effective November 15.

Nimeshein, age 34, has headed the Human Services Office of the City of Lakewood for the past 3 1/2 years. Previously, he had worked in human services and recreation for the City of Lakewood and the County of Los Angeles. He has received his Masters Degree in Recreation Administration from California State University at Long Beach.

Jeff was selected from more than 40 applicants for the position of Social Services Director. He replaced Fred West, the City's former Social Services Director, who recently resigned to join the staff of Calvary Church of Placentia.

Jeff, his wife, and two children currently reside in Costa Mesa.

HOLIDAY PROGRAM--Gayla Musgrove, Grace LeCouix and Ken Lycett of Evangelical Free Church, Yorba Linda, get in the pioneer spirit for Thanksgiving choir program. It will feature an Abe Lincoln speech and a multi-media presentation.

Thanksgiving Musicale

A musical tribute to this year's Thanksgiving will be presented on Sunday, November 21, at 6 p.m., and Tuesday, November 23, at 7:30 p.m. at the Evangelical Free Church of Yorba Linda, 5320 Richfield Road, Yorba Linda.

Each hour-long presentation of "Harvest Celebration", a musical of Thanksgiving and Praise by composer-arranger Ralph Carmichael, will feature the 40-voice chancel choir, soloists, specialty groups, and instrumentation conducted in an authentic farmhouse atmosphere.

Highlights of the musicale include such favorite songs and hymn tunes as "This Is My Fathers World", "America", "America the Beautiful", and "God of our Fathers", plus a special 400-slide rear screen projection program depicting scenes from around the entire United States and a particularly stirring portrayal of Abraham Lincoln's Thanksgiving Proclamation.

Seating for the event will commence at 5:30 p.m. on Sunday and 7 p.m. on Tuesday.

Employees Give To United Way

The 1976 United Way campaign, recently conducted among city of Placentia employees, has resulted in total contributions of $1,454.

City employees contributed an average of $11.27 each to the United Way of Orange County, north and south, which helps to support 76 health care, youth, emergency assistance, and community service programs in the county.

Placentia City employees' 1976 contributions to United Way represent an increase of about 5.7 per cent over last year's figures.

Thanksgiving Eve Services Set

Special services will be held on Thanksgiving Eve, November 24 at the Placentia Redeemer Lutheran Church.

Family worship is scheduled for 7:30 p.m. including communion. Special music will be provided by both senior and junior choirs and messages of thanksgiving and prayers of gratitude will be offered the church outlines.

HAPPY HOLIDAYS will result for many Placentia and Yorba Linda families this year from the hard work of the tenth annual Christmas Clearing Bureau. The joint effort of the Placentia Round Table and the Junior Round Table will seek to provide a Christmas for families who otherwise would not have one. Coordinating the effort will be Mrs. Doris Black (center) and Mrs. Linda Dawson. The four-year-old is Laura Dawson. Residents of Placentia and Yorba Linda are encouraged to help the Yuletide campaign with donations of food, gifts, toys or money.

CHANGING HOMES

Although foster care is intended as a temporary measure, a child is likely to stay in care for 4 to 6 years and to change foster homes 2 to 3 times.

Calvary Baptist 5 Years Old

Sunday, November 21st is the 5th anniversary of Calvary Baptist Church of Yorba Linda. A special service will be conducted at 11 a.m. when the pastor, Dr. R. W. Cunningham, will review five years of progress. Special music will be provided by Howard Jewel, internationally known soloist.

The church was founded by Pastor Cunningham who came to Yorba Linda with no congregation to begin with and no financial backing. He merely felt that God had impressed him to begin a church in this area.

After several days of visitation, the first service was held with 14 present. Property was bought in May, 1972 and the first building begun that fall.

The second phase, a two story educational building has just been completed. The buildings and improvements have been constructed almost entirely by donated labor.

Membership at Calvary Baptist exceeds 500 with assets totaling over $500,000. A Christian Day School (kindergarten-8th grades) is in its second year of operation. Five busses run each Sunday offering free transportation to and from church.

A friendly invitation is extended to all of the people in this area to visit this special anniversary service.

Thanksgiving Services At Redeemer

A Thanksgiving Day dinner, reminiscent of the manner in which the Pilgrims contributed to the first such event, will be held at Yorba Linda's United Methodist Church.

The All-Church Thanksgiving Dinner on November 21 will be at 6 p.m. Turkey, dressing, gravy and potatoes will be provided.

Each family will contribute by bringing "fixins" for a feast. Families with surnames beginning with A through F will bring hot vegetable dishes and sweet potatoes. G's through M's will bring salads. N's through Z's will bring pumpkin or apple pies. All are to bring their own table service.

There will be a small charge to cover the cost of the turkies. History books do not mention whether the Pilgrims assessed this small charge.

ML Guild Bazaar

Martin Luther Hospital Guild of Anaheim will hold its annual "Holiday Bazaar" on the ground level of the hospital, 1830 W. Romneya Drive on Thursday, November 18th from 10 a.m. to 8 p.m.

Afghans, childrens stuffed toys, and everything for those wishing the finest in handcrafted gift items will be for sale.

All funds will go for the Neo-Natal Care Equipment.

Triplett Talks At Chamber Luncheon

George E. Triplett, Assistant Registrar, California State University, Fullerton, will be the guest speaker at the Chamber of Commerce general membership luncheon on November 18. Topic of Triplett's talk will be "A Humorous Look at Politics."

Triplett received his B.A. degree from the University of Denver and M.S. degree from Kansas State College. He is a member of Imicrom Delta Kappa and holds professional memberships in the American Political Science Association, California School Boards Association and National Association of School Adminstrators.

Reservations would be appreciated to the Chamber office, 528-1873.

Emergency Clinic At Fire Station

The Junior Round Table of Placentia, in cooperation with the California Division of Forestry/Orange County Fire Department, is sponsoring an Emergency Procedure Clinic, November 20, at Fire Station #34, 1530 North Valencia Avenue.

The meeting will be conducted from 9 a.m. until noon. For further information and reservations, call Linda Ziegler at 524-2905 or the fire department. The clinic is open to the public.

Among the subjects to be presented by firemen, according to Capt. George Pond, will be emergency notification of police and fire; Christmas decoration safety, and "first aid" fire fighting. In addition, two films will be shown, "The Breath of Life" and "Vital Links".

A TOAST—Valencia High School students rehearse for "Barefoot in the Park" to be presented November 18, 19 and 20 at 7:30 p.m. in the school's auditorium. Toasting are Colin Thielmann who plays Paul Bratter and Virginia Bratcher portraying Corie Bratter.

"Barefoot In The Park" On Valencia Stage

"Barefoot in the Park" by Neil Simon will be staged by drama students at Valencia High School in Placentia during three performances at 7:30 p.m. Thursday, Friday and Saturday, Nov. 18-20, in the campus Auditorium, 500 N. Bradford Ave.

Playing two young newlyweds are Colin Thielmann and Virginia Bratcher.

Others in the cast are Jessie Roth as Ethyul, Blake Vartanian as Victor Velasco, Pat Burke as the telephone man and Steve Arrighi as the delivery man.

Drama teacher Stan Crane directs the play. Student assistants are Sally Alspaugh, interior design; John Williams, lighting; and Dana Leonhardt and Cathy Canterbury as stage managers.

Tickets will be available at the door for $2 for adults, $1.50 for students with student body cards and $1.75 for students without cards. Senior citizens who belong to the Placentia Unified School District Gold Card Club will be admitted free.

ART WORK

Ruby Drive parent Richard Guerrero, a commercial artist, gave children in Marlene Weston's second grade class an art lesson. His caricature of Principal Curl is on display with children's drawings in the district board room. He also created a Fantasyland in the nurses' room at Rio Vista.

SIDEWALK ARTISTS display their skills with colored chalk and the results were rewarded with ribbons. The event was one of many during the Placentia Heritage Days Festival recently concluded. The Junior Round Table was cosponsor with the city's recreation department. Winners, in front of the picture, include [on the left], Craig Weber, Lisa Krieger, Scott Krieger and Patti Hausmann. On the right: Nina Carson, Lisa Tourne, Heidi Chamberlin, Richie Chamberlin, Doug Hand, Ted Herbert Carson and Todd Ziegler.

ARM WRESTLERS, who were champions of their divisions in the recent competition in connection with the Placentia Heritage Days Festival, display their hard earned trophies. Winners, left to right, include Steve Binegar, Mark Evy, Chris and Donna Meyers [themselves former champions in national competition and referees for the tournament], Dave Naishitut, Meg Treister and Susan Rossauer. In front Annie Daly and Mike Everett.

JACK-O-LANTERNS that won prizes for their young creators are proudly placed on display after judging at the recent Pumpkin Carving Content held in Placentia. Over 160 youngsters participated with more than 30 turned away when the pumpkin supply was exhausted. The city's recreation staff was overwhelmed with the popularity of the event. Seated in the picture are prize winners Brian Karrow, Margaret Gleeson and Alissa Cisneros. Kneeling: Tad Heimberger, Brett Polen, Kara Holden; and standing: Toni Chacon, Susan Kenty, Tina Cusic, Steve Cusic, Nina Carson and Regina Goulet.

Radio Towers Permitted

Two ham radio towers were approved for George Oelkers, 406 Brower Avenue, Placentia by members of the city's planning commission in a split 4 to 2 vote with commissioner Mark Hepp absent.

Staff had recommended denial of the permit for the towers as "an intrusion upon the architectural integrity of the area." However, with 24 notices mailed to surrounding neighbors, no one appeared at the hearing to speak against the permit.

The city at the present time has three other approved radio towers belonging to Howard Orr, 249 Juanita Way; James Okubo, 529 Kevin Way and Peter Gwosdof, 1306 Sao Paula Avenue.

Attorney George Bean speaking in favor of the towers pointed out that "the last resort type of operation the emergency service has is the network of radio amateurs. These towers are of no particular aesthetic value; they are well designed and are of minimum height as needed.

"They are a necessary and desirable thing for communities at a time of emergency. I would recommend very highly to the commission that this request be granted," Bean, who is a past Emergency Services Coordinator for Orange County concluded.

Objecting to the towers were Commissioner Richard Cuevas who stated that he would not want to see one in his neighborhood and that he believed that the neighbors had not appeared to oppose the towers because "they have to live with these people."

Commission chairman Lee Van Gorden agreed with Cuevas and said that she thought the commission "might be opening a can of worms".

Speaking in favor of the permit were Commission vice chairman Dr. David Margolias and Commissioners Ronald Askew, Chester Sowinski and William Beggerly.

The towers will be adjacent to the campus of El Dorado High School.

WINNER

Pat Moynihan, senior at Valencia, won the Century III Leaders' Scholarship competition sponsored by National Association of Secondary School Principals and Shell Oil Company. He now goes into state competition. Runners up were Robert Edwards and Jeanette Roberts.

Santiago Tafolla Left His Name And More

[Editor's Note: The following biography was written about Santiago Guzman Tafolla, who died two weeks ago at the age of 85. Mr. Tafolla spent 53 years of his life in Placentia. The narrative tells of his accomplishments.]

BY VESTA L. GERHOLD

Santiago Guzman y Tafolla was a 17 year old youth when he came to the United States from Palo Verde, Guanajuato, Mexico in 1912.

Santiago and his family of six brothers and two sisters and their parents made their living raising corn. Young Santiago plowed the earth for planting with a yoke of oxen.

He was still called Santiago when he came to San Bernardino, California to help harvest the orange crop that was so abundant in times past. He had come to San Bernardino from El Paso, Texas, which is where he had entered the United States from his native Mexico.

The work Santiago did was hard work, but he was young and strong and making a better living for himself. Other members of his family left Mexico to share a life in this new place.

Santiago did other kinds of work in the following years; hard, important work. He helped to lay the tracks for the trolley cars which criss-cross the city of Los Angeles. He laid railroad track in San Francisco. It was some time during these years that his co-workers and bosses began to call him "Jim", the English nickname for his Spanish name which lost its beauty on the stiff tongues of the English-speaking people.

Things grew well under Jim's hands and he found himself back in the orange growing industry. He picked fruit, cared for the trees and irrigated the groves. At one time, he worked for the Bastanchury Ranch, one of the old, large ranches in the Orange County area. While working for the Bastanchurys, he helped to make and then put into place the heavy cement pipes used to form the irrigation system for the orange groves that made the rolling hills green and fragrant with their blossoms for as far as the eye could see in every direction.

Jim worked for other men in the orange growing business. He worked for men with names like Anderson, Nordheim and Simons--names that are still well known in the area.

Carl Simons bought about fifteen acres just a little south of where the town of Placentia is today and Jim Tafolla helped lay out a little colony that was originally called La Villa Carlos after Carl Simons. The first street laid out in the colony was and is called Tafolla Street after Jim. The second street is called Gonzales Street for Jim's friend and husband of his niece; Lupe Gonzales.

Since the streets of La Villa Carlos branched off from La Jolla Road, the small community came to be called by that name too. La Jolla, "the jewel" in the Spanish language, describes with bitter humor this small, proud community of people who are predominately of Spanish-speaking heritage and Mexican culture.

"La Jolla" is a good descriptive word for the 15 year old bride, Nellie Ruiz, that Jim Tafolla, by then in his late twenties housed in a tent on La Jolla Road while he built her a house with his own hands. He started the house in 1924, about a year after his marriage and when two rooms were ready, he moved his family in and completed building the house around them in 1925.

Two daughters, four grandchildren and forty-nine years later, Jim and Nellie Tafolla still live in that sturdy house. Things still grow well under Jim's hands and his backyard is a profusion of grape vines heavy with fruit in the late summer.

Jim was offered chances to return to Mexico but he never took them. He has always felt that the United States offered a better life for him and his family.

Jim and Nellie say they have no feelings of being discriminated against by the authorities of any kind nor do they feel any animosity either toward or from Anglos. They, like all people of good sense and consideration, appreciate people for how they act not who or what they are.

La Huelga? The Strike? They don't concern themselves with politics and it's their right. The Grape Boycott? Well, situated in the middle of their own private vineyard, it's hard for the Tafollas to do without grapes.

These good people live a caring, sharing life among their family, circle of friends and their community. Their lives, as they live them, create more impact than political activism would. They create goodwill that generates more goodwill like Jim's grapes that now grow in my backyard will generate more grapes.

TOP TALKERS

In the first competition of the year, Valencia varsity debaters Dave Norman and Mike Meston won a first place trophy, reports coach John DeNike. Tina Leon and Kim Beaudry won second. In novice debate, Carolyn Levy and Jeannette Roberts earned certificates.

EXPENSIVE HOMES in the S and S [Shapell] tract built at the end of the Chapman Avenue extension adjacent to the railroad tracts, are displaying signs of complaint concerning their living conditions. The problems, homeowners say, have continued for their six months of occupancy. Other homeowners further along the Atchison, Topeka and Santa Fe tracks however, report they hear the trains but are not bothered by them. The houses are in the $80,000 to $100,000 category.

Homeowners Seek Solutions

[Continued from Page 1]

"on filled dirt or something. Apparently it's worse where they are."

A second City Hall meeting with the homeowners called for Tuesday afternoon and expected to include representatives from Shapell Industries and City Administrator Edwin Powell, was dropped. Hamala explained that instead a second sound testing would be made by Orange County experts to see if the homes now fall within the specified tolerable noise level readings.

The homes failed the first reading in July. Since that time the City of Placentia has passed a resolution concerning the train whistle being used as the Santa Fe moves through the city.

How relevant this is was not clearly stated at the meeting Thursday since reportedly there are state laws governing the blowing of train whistles as a necessary safety factor.

At the Thursday meeting Don Yarush, president of the Placentia Village Homeowners, but speaking as an individual, told Hamala: "Not a one of us in this room would have moved into our homes had we known how many trains there are a day and what our houses would be like at night."

"What about the inconveniece and aggravation of having to live with this?" another asked. "We assumed when you (the city) passed the homes everything was OK."

"Homes shake, beds shake, you have to keep your windows closed," another spokesman described. "Our real estate values are destroyed. We've been put there because of misrepresentation."

"Why wasn't a sound test made before you let us move into those houses?" homeowner Robert Allen asked. Others stated that they believed the city to be at fault "for letting us move into those homes."

Hamala answered the residents that the city "wants to be responsive to your needs. I assure you we want to solve your problems." He added that the city, however, could not ask Shapell "to do anything they are not obligated to do."

One homeowner asked why the city was continuing to let people move into the homes since they have tested below specifications.

Larry B. Faigin, attorney for Shapell said from Beverly Hills Monday that his company is paying for the additional sound tests and that he would be happy to meet with the homeowners any time.

Whether a prior offer by Shapell to buy back the homes at the prices paid for them was still in effect was not clear this week. Homeowners had complained that the arrangement would not cover improvements, moving costs and the inflation factor since their homes were purchased a year to a year and a half ago.

"We are more than eager to meet with them," Faigin stated. "We would love to have the opportunity to sit down and talk. We would be happy to deal directly with them and we intend to work out their problems.

"We are not trying to discount their problems," the attorney added.

Faigin pointed out that Shapell, one of the state's largest and "most reputable" builders, "had sold hundred of houses...and we have a group here of 14 dissident people." (families).

"Whatever the sound situation is, there are things that can be done to correct it," Faigin stated.

He explained that further problems had developed between the homeowners and Shapell "when counsel was brought in," but added that he thought the dialogue between the legal parties also had been productive.

"We are desiring to work with the homeowners. We have in the past and we will in the future," the attorney described his company's position.

Coaches Clash In "Battle Of Bulge"

Placentia city rivals El Dorado and Valencia High Schools are scheduled to clash in a basketball game to be held in the Hawks' gymnasium Monday, November 22 at 7:30 p.m.

The game, billed as the "Battle of the Bulge", will involve the faculty and staff from each school.

Featured rival players in the game will be former Chapman College teammates Nash Rivera (El Dorado) and Bob Hamblin (Valencia). New Tiger basketball coaches Ray Rodriguez and Jim Bell are also slated to play.

El Dorado will suit up a squad of aspiring greats led by Rivera and Terry Conley, also a basketball coach.

Tickets for this first annual classic matchup are priced at $1, with the proceeds benefitting the booster programs at both schools. A raffle will also be held at halftime for a turkey.

El Dorado's award-winning band will provide the entertainment.

A spokesman for the Tigers bills the match as the first annual Tiger-Hawk Faculty Basketball Game.

Tickets will be on sale at both schools Thursday, Friday, and Monday and also at the El Dorado Gymnasium ticket window prior to the game.

Valencia, led by former Chapman College All-American Bob Hamblin, is a slight favorite over El Dorado, led by another Chapman alumnus, Nash Rivera, the Tigers news release states.

Swimmers Win Five Polo Games

Swim Team of Placentia age group water polo teams won 5 games recently at San Clemente High School.

Games won by STOP were 12 and under girls 6 to 5 over Rio Hondo; 13 and up girls 12-6 over Rio Hondo; 10 and Under A of mixed girls and boys 12-4 over San Clemente; 10 and under B teams 10-0 over San Clemente; and 12 and under boys 15-5 over Rio Hondo. The 12 and under boys lost 11-5 to San Clemente.

During the same weekend Steve Botha took second place in the 9 and 10 year competition for his 50 yard breaststroke with a time of 48.30 at an AAU "C" meet held at Los Alamitos. Steve placed sixth in his individual medley with a 1:48.7.

TEE UP with Burt Brooks

PAT BOONE is chairman of the ATHLETES IN ACTION Golf tournament which will take place at CALIFORNIA COUNTRY CLUB in Whittier on Monday, Nov. 29th. You are invited to participate in this golfing event which is open to men and women golfers even though they do not have an official handicap. Prizes will be awarded in several groups. Those with either SCGA or Publinx handicaps and the Calloway system for those who do not have an official handicap.

ADOHR Dairies have funded the event greatly and this means that many dollars will be made available to the ATHLETES IN ACTION to carry on their Christian Ministry in this troubled world.

A donation of $100 with checks to be made payable to CAMPUS CRUSADE FOR CHRIST, should be mailed to ATHLETES IN ACTION, 1451 E. Irvine Blvd., Suite 12, Tustin, Ca. 92680. Better yet, pick up an official entry blank at any of our golf courses in the area and mail it in with your check at once.

A shot-gun start at 11 a.m. will require players to begin checking in at the Country Club about 9:30 a.m. Dinner will commence at 5 p.m. with the awarding of prizes and an address by BILL BRIGHT at 6:30 to be followed by the introduction of all celebrities and famous athletes at 7 p.m.

Play will be by fivesomes and if you are a golfer, it will be a day which you will not soon forget. DAVE HANNAH, A.I.A. director, is counting on your support, so talk it over with your golfing friends and act now.

Girls CIF Volleyball

Troy and Western of the Freeway League and Canyon and Sonora of the Orange League will be in the 1976 girls' volleyball playoffs which get underway Saturday, Nov. 20 in all three CIF divisions, 4A, 3A and 2A. The area teams will be in 3A competition.

Troy, number 1 in Freeway will play El Segundo, tied for second in the Ocean League. Western, tied for second in Freeway, will meet Los Amigos, unbeaten winner of the Garden Grove League.

Orange League winner Sonora takes on La Serna, tied for second in the Whitmont League. The OL second place team, Canyon, goes against Los Altos, champions of the Sierra League.

If the area teams win they will go into the second round to be played on Tuesday, Nov. 23.

Ballet Classes Offered

The Placentia Recreation Department is sponsoring a new series of ballet classes. The eight week class will begin the week of November 29.

Registration for ballet and all Winter classes will be held on Saturday, November 20 from 8 a.m. to 10 a.m. for Placentia residents only at the Backs Building, 201 N. Bradford Avenue.

Registration will continue for Placentia residents on Monday, November 22 at the Recreation Department office, 117 N. Main Street. Non-residents may begin to register on Tuesday, November 23 at the Recreation Department office. Office hours are 8 a.m. to 5 p.m. For further information call 993-8232.
